Re: "God Bless America" sign

Dear Ms. Barham:

I am in receipt of a copy of your letter of September 26, 2013 addressed to Ms. Abby Moser with the Fairview Library branch of Buncombe County Libraries. Buncombe County does not agree with your characterization of the facts or circumstances in this matter. However, in light of existing case law, Mr. Sheary will contact a representative of your client and invite her to return the sign to the Fairview Library display.

Thank you.

Sincerely;

Michael C. Frue
