Sir,

This email is in response to your decision to keep the sign at MCBH unaltered and in its present location. Thank you for your courage in reaching the right decision, which is supported by the United States Constitution and applicable case law. It is reassuring to know this sign will continue to be a source of encouragement just as it has been since 9/11.

For your situational awareness, sir, I would like to introduce you to [REDACTED] (cc'd), an allied attorney in your local area available to serve as a resource to you and your JAG office. Of course, I am always available to answer any questions or provide any input as needed. I can be reached at this email address or by phone at [REDACTED].

God bless the military, their families, and the civilians who work with them.

Sincerely,

Daniel Briggs
